

## **Cereal Yield Enhancement Network 2021**

Please fill in the form below and upload a copy, with maps and weighbridge tickets (if applicable), using the below QR code below or online at <u>www.yen.adas.co.uk/yen-2021-yield-form-submission</u>

## **Yield Entry Form**

| Field Name                            |  |
|---------------------------------------|--|
| Harvest area (hectares)               |  |
| Fresh grain weight at harvest         |  |
| Average moisture content of grain (%) |  |

Briefly describe how you calculated your harvest area: *Please provide maps where possible.* 

| Have you included a weighbridge ticket? ( <i>Required for competition</i> ) | YES NO |  |  |  |
|---|--------|--|--|--|
| Combine Yield from Monitor or Map (if available)                            |        |  |  |  |
| Yield from combine yield monitor / map                                      |        |  |  |  |
| Yield monitor make and type   |        |  |  |  |
| GPS accuracy  |        |  |  |  |
| Date yield monitor was last calibrated                                      |        |  |  |  |

| VERIFICATION DETAILS |  | Harvest area: I confirm that the harvest area specified accurately reflects the area entered into the Cereal YEN  |
|----------------------|--|---|
| Name                 |  | competition.<br>Harvest weight: I confirm that the copies of the weighbridge                                      |
| Job/profession       |  | chits attached all relate to grain harvested from the area described.   |
| Email                |  | <b>Moisture:</b> I confirm that the moisture content quoted relates to the grain loads weighed.                   |
| Contact number       |  | Grain sample: I confirm that the grain samples provided represent the loads to which the weighbridge chits refer. |
| DECLARATION          | I confirm that to the best of my knowledge the information above is correct. |   |
| Verifier's signature |  |   |
| Date                 |  |   |
